

## Data for the first quarter of 2020 of EZGU AMAL Foundation

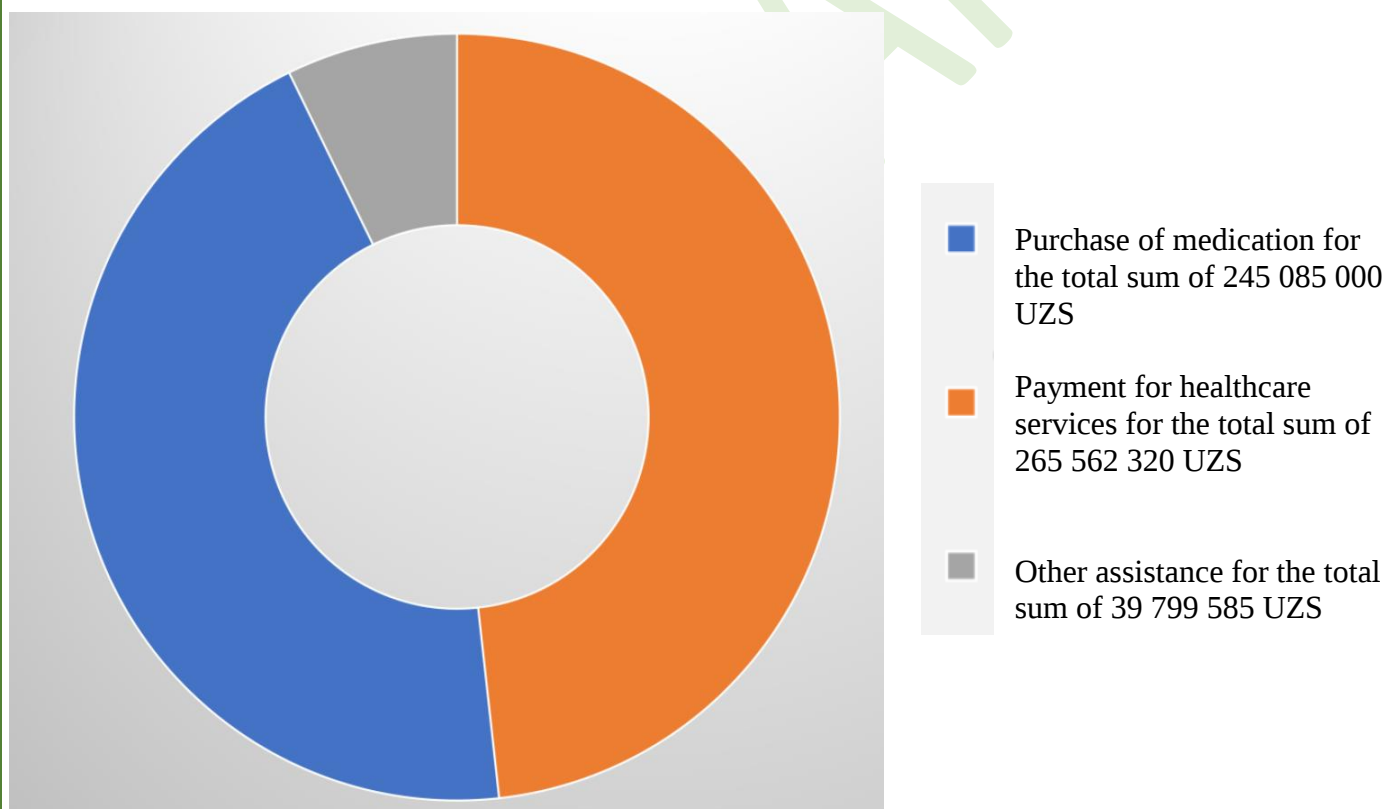

Dear friends! We are glad to submit information about our wards who were provided with timely assistance thanks to your donation!

Forty-seven Foundation's beneficiaries received expensive medicines for total sum of 245 085 706 UZS in the 1st quarter of 2020 within the program called *Children await* — thanks to your donations.

Sixteen wards of the Foundation were given 265 562 320 UZS in the 1st quarter of 2020 to pay for medical services within the program called *Chance* — again, thanks to your donations.

Also, six wards of the Foundation were purchased with air tickets for the amount of 39,799,585 UZS for treatment abroad.

Proportion of the aid provided divided by types

### Beneficiaries which were provided with aid (in the 1st quarter of 2020)

|                             |            |                   |                     |
|-----------------------------|------------|-------------------|---------------------|
| Rajabova Gulasal            | 1 986 000  | Hematology        | Medication          |

## 1st quarter crowdfunding

In February of this year, a campaign in conjunction with digital agency USE IT was launched, with a call to unite and draw public attention to the problems of pediatric oncology.

On February 5, *HUMO-ARENA Ice Palace* a charity match of the *Humo Hockey Club* took place in order to draw attention to the importance of help to children diagnosed with cancer. All funds from the sale of tickets were transferred to the account of the Foundation (they were credited to the account of the Foundation in the 2nd quarter). After the match, the first “mishkopad” in history of Uzbekistan was held — audience was able to throw stuffed toys on the ice, which were later transferred to children from the Hematology Research Institute in Tashkent and children from a boarding school in Buka, Tashkent region.

In March, *Lady Run-2020 Charitable Marathon* was organized by *KREDIT OSIYO SERVIS* Company, thanks to which the sum of 23,700,000 UZS was collected to help children with cancer.

In March, a Charity concert named “*Children Live!*” for 400-420 people was organized at the *Kimyogar House of Culture* in Ferghana. The wards of the foundation together with parents were invited, as well as oncohematology department staff and residents of the city of Fergana. Gifts and toys were given to seriously ill children from hematology department, and sponsorship such as expensive drugs was also provided.

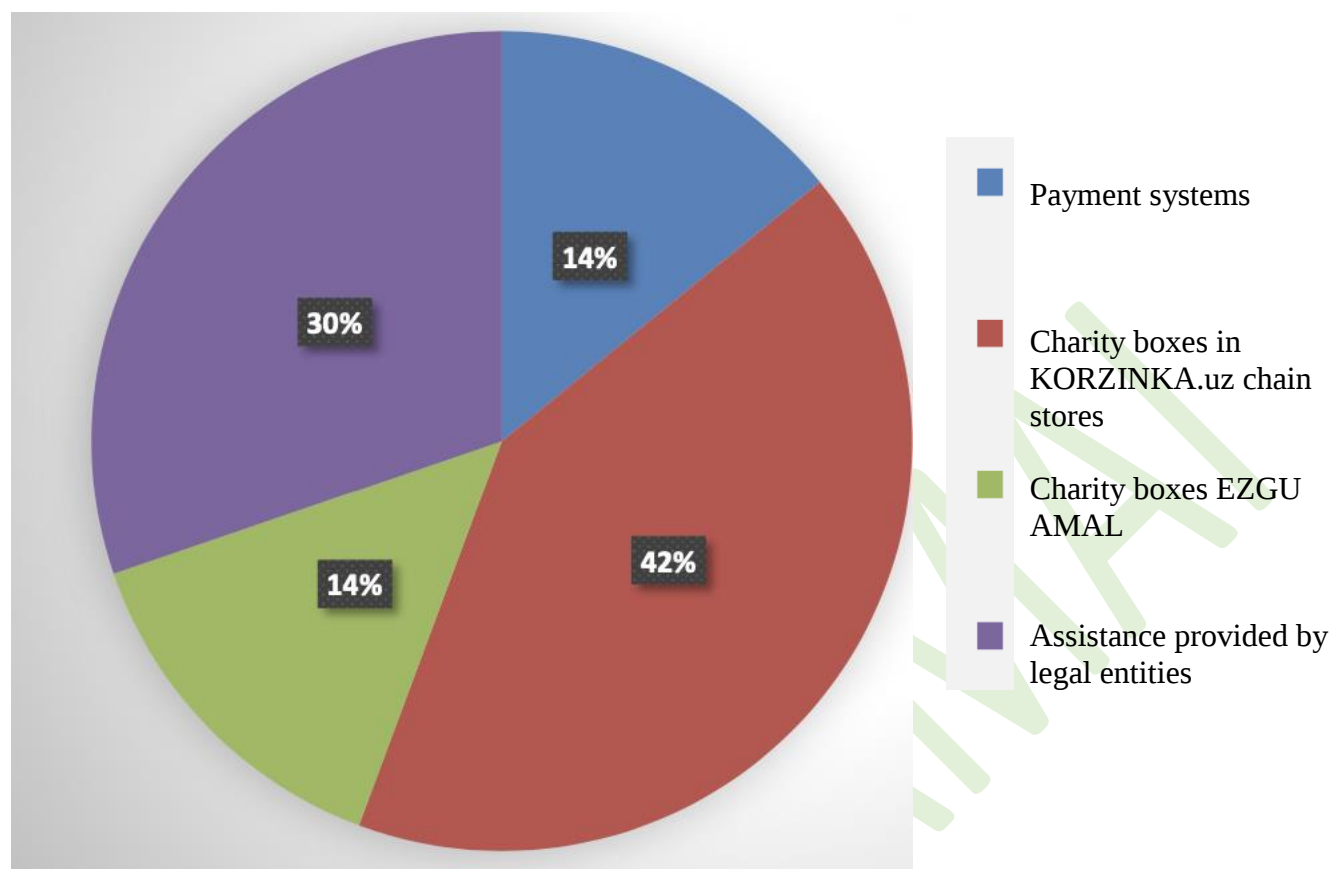

Thanks to the charity boxes installed in KORZINKA.uz chain stores, aid in the amount of 272 590 000 UZS was received in the first quarter of 2020. Money was sent to help seriously ill children.

Thanks to the help of kind people and their donations to the charity boxes of the Foundation an amount of 92,454,000 UZS during the 1st quarter of this year was collected. Money were sent to the main charter goals of the Fund.

Aid in the amount of 92,638,000 UZS for the necessary medicines for cancer patients was received through payment systems to the Foundation’s checking account.

There were also receipts to the current account from legal entities and individuals in the amount of 174,770,000 UZS for the treatment of seriously ill children.

## Proportion of the bankroll transferred to the Foundation's checking account

**Dear friends, donors and partners! We thank you for the constant all possible help in a good deed. We would not be able to help hundreds of children without your support.**

**With constant sincere gratitude, we think about everyone who stays with us, we wish you welfare and prosperity in all possible spheres. May our friendship goes on for many years.**

**Thanks to everyone who takes care and keeps helping us in a good deed!**

**TASHKENT-2020**
